Dear Exhibitor & Enthusiast,

Welcome to our 2021 calendar of classic car shows.

The safety of everybody attending our events is our number one priority. This year, events are subject to covid event guidelines at the time of the event and will be run in accordance with the most recent government guidelines. As our events are located at outdoor showgrounds, racecourses and within historic house parklands, so there is already ample space which we can expand on, should the need arise. Using wider walkways and increasing the aisle space, means we can comfortably and safely accommodate visitors to the event. Also, exhibitors and traders will be given extra space than previous. We will continue to provide hand sanitisers at our events and our staff will wear face masks at busy check in/pay points as required.

Unfortunately, Lytham Hall and Hoghton Tower events have been postponed until 2022 due to lack of additional areas to expand to allow for any social distancing requirements. (2022 dates are now on the website)

Track and Trace is now advisory and recommended but not mandatory

If you wish to take part you can scan the event NHS QR code on arrival or by leaving your contacts with the stewards at the event.

Private exhibitors

Please fill in the sections on page 2 with your contact and exhibit vehicle details. Prebooked exhibit admission: £4.50 exhibit entry ticket per pre 2005 classic vehicle display for each event. This allows entry to exhibit in the show with two adults (children under 15 are free). Any additional adults arriving in the display vehicle will be required to pay the normal show admission. Please arrive before 11am and exhibit in a pre 2005 classic vehicle. These tickets are non-refundable, however if we have to cancel an event, you can use it at any later 2021 or future 2022 events. Sorry, no exhibit season tickets available this year as we cannot guarantee all our events will run due to covid.

Clubs stand bookings now available (not available online)

Please complete this booking form and return with the number of exhibits you wish to bring to each event, we will then allocate space accordingly. It is the responsibility of the club stand organiser to distribute tickets prior to each event. Club stands are also required to take out club public liability insurance and undertake a common sense risk assessment.

2020 Exhibitor Passes

All 2020 exhibitors passes and season tickets are valid at ANY event, please arrive as normal.

Extra Information

Show arena, commentary and judging will take place as normal, but there are no show mementos available at the moment. We are sorry, but there is no camping available this year. Well behaved dogs on leads are welcome at all our events.

Cancellation policy

If we have to cancel an event, you can use your vehicle pass at any of our later 2021 events or future 2022 events. If you are unsure about the status of an event you are due to attend, please call our office (24 hour answering machine message) or check our website for the latest show information. This applies to all our events.

This booking form can be used for classic cars, motorcycles, kit cars, American, vans, commercials, ex military, 4 x 4 & vintage tractors. For steam engine bookings please call our office. All tractors and commercials / military vehicles over 3½ ton, are exempt from booking fees.
