Dear Exhibitor & Enthusiast,

April 2021

## **Welcome to our 2021 calendar of classic car shows.**

The safety of everybody attending our events is our number one priority. Please see the Covid-19 safety policy on our website. This year, events are subject to Covid restrictions being lifted in time and will be run in accordance with the most recent government guidelines. As our events are located at outdoor showgrounds, large racecourses and within historic house parklands, so there is already ample space which we can expand on, should the need arise. Using wider walkways and increasing the aisle space, means we can comfortably and safely accommodate visitors to the event. Also, exhibitors and traders will be given extra space to help facilitate social distancing requirements.

Unfortunately, Lytham Hall and Hoghton Tower events have been postponed until 2022 due to lack of additional areas to expand to allow for any social distancing requirements. (These dates are now on the website)

Track and Trace is currently a mandatory requirement for all attendees at events, either by scanning the event NHS QR code or by leaving your contacts with the stewards on arrival at the event.

### **Private exhibitors**

Please fill in the sections on page 2 with your contact and exhibit vehicle details. Prebooked exhibit admission: £4.50 exhibit entry ticket per pre 2005 classic vehicle display for each event. This allows entry to exhibit in the show with two adults (children under 15 are free). Any additional adults arriving in the display vehicle will be required to pay the normal show admission. Please arrive before 11am and exhibit in a pre 2005 classic vehicle. These tickets are non-refundable, however if we have to cancel an event, you can use it at any later 2021 or future 2022 events. Sorry, no exhibit season tickets available this year as we cannot guarantee all our events will run due to covid.

### **Clubs stands**

Unfortunately, we cannot accept club stand bookings at this time, due to government restrictions regarding group gatherings and social distancing rules. From the 21<sup>st</sup> June, if the rules are relaxed and we can accept club stands again, we will add this facility to our online booking system. Club stand organisers can contact us regarding availability after this date. In the mean time you are more than welcome to arrive and display at our events with private entries.

### **2020 Exhibitor Passes**

All 2020 exhibitors passes and season tickets are valid at ANY event, please arrive as normal.

To avoid delays on arrival (due to track and trace requirements at events) please write names and phone numbers of everybody in your vehicle (aged 16 and over) on the back of your 2020 exhibitor pass ready to show on arrival. 2020 season ticket holders: we can collect your contact details on arrival or you may wish to hand in a slip of paper with contacts and phone numbers listed.

### **Pre-book Entries**

This year, we cannot accept entries on the day, please prebook to display.

### **Extra Information**

Show arena, commentary and judging will take place as normal, but there are no show mementos available at the moment. We are sorry, but there is no camping available this year. Well behaved dogs on leads are welcome at all our events.

### **Cancellation policy**

If we have to cancel an event, you can use your vehicle pass at any of our later 2021 events or future 2022 events. If you are unsure about the status of an event you are due to attend, please call our office (24 hour answering machine message) or check our website for the latest show information. This applies to all our events.

### **Booking**

This booking form can be used for classic cars, motorcycles, kit cars, American, vans, commercials, ex military, 4 x 4 & vintage tractors. For steam engine bookings please call our office. All tractors and commercials / military vehicles over 3½ ton, are exempt from booking fees.

Postal bookings: we will send back another booking form with your passes for later events.

Thank you and we look forward to seeing everybody back at the shows and events this summer.

**Kind Regards**
