

This year, our events will or could be subject to covid 19 government event guidelines and we will adapt and change as required.

All our planned 2021 events are located at outdoor venues with ample space to expand for any social distancing requirements.

Please see our covid safety policy on our website for more information - your safety is our number one priority

**Please check final event details on our website before planning your day or travelling to an event.**

Unfortunately, Lytham Hall and Hoghton Tower events have had to be postponed until 2022 due to lack of additional areas to expand if we have to continue with social distancing. 2020 exhibit passes, tickets and trader plot bookings are all valid this year at ANY event. Classic vehicles up to 2005 of all types are welcome to exhibit at the classic vehicle shows listed below. There's also show arena and commentary throughout the day.

Outdoor trade/autojumble stands from £25 at our nine classic car shows listed below, call us for more information.
