THE BEST EVENTS AT THE BEST VENUES.

The safety of everybody attending our events is our number one priority. Please see our covid -19 safety policy on our website. This year, events are subject to Covid restrictions being lifted in time and will be run in accordance with the most recent government guidelines at the time of the event.

As our events are located at outdoor showgrounds, racecourses and within historic house parklands, so there is already ample space which we can expand on, should the need arise. Using wider walkways, means we can comfortably and safely accommodate visitors to the event. Exhibitors and traders will be given extra space to help facilitate social distancing requirements as required.

Please arrive before 11am as the exhibitor display passes are valid until 11.00am

Due to health & safety reasons, exhibitors arriving after these times will be parked in the public car park.

Each pass admits 2 adults plus children, extra adults will be subject to the normal admission price payable on arrival.

Exhibitor gates are open from 7am – 11am on the day of the event, currently no day before set up or camping available.

Track and Trace is now mandatory for all attendees at events aged 16 and over.

Three options

- 1). Please scan our QR code on arrival with the NHS covid App from your mobile phone.
- 2). Please write names and contact phone numbers on the rear of your exhibit ticket before you hand in on arrival.
- 3). Our stewards can collect your details on arrival manually.

Exhibit tickets are for pre 2005 vehicles/motorcycles entry for display in the events, they cannot be used for general show admission.

On arrival you will be directed by our stewards, please do not obstruct other exhibitors and keep road ways clear.

All exhibits should ideally be in place by 10.00am when the shows open to the public.

Show awards, these will be judged in the arena between 11.00am and 4.00pm by a team of judges selected by the organiser.

All vehicles which drive into the arena at the time announced over the tannoy will be automatically considered for judging.

Traders and Autojumbler must have valid insurance for their own stock and Public Liability Insurance as the organisers will not accept any responsibility for the loss or damage to any goods however caused.
